

## **WT1012 Set 230V**

Item No: T0053440699N

1-Channel Soldering Station Set,  
digital 95 W with soldering iron WSP  
80

### **KEY FEATURES**

- + Power unit WT1, 1 channel with soldering iron WSP 80 and safety rest WSR 201
- + WSP 80 soldering iron (80 W) with Silver-Line tips for all standard soldering applications. Tip family: LT
- + High productivity (Power unit with 1 channel, 95 W)
- + Intuitive use thanks to clear menu structure
- + Reduced footprint thanks to stackability
- + Graphical backlit LC-Display
- + High performance and functionality - many connectable tools
- + Housing cover useable as storage
- + OFF time, Process window, Lock function, Offset

# TECHNICAL DATA

|                                     |                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------|
| Height                              | 101mm                                                                                           |
| Length                              | 149mm                                                                                           |
| Dimensions L x W x H                | 149.0 x 138.0 x 101.0mm                                                                         |
| Equipotential Bonding               | Yes                                                                                             |
| Equipotential Bonding Socket        | Via 3.5mm pawl socket on front of device                                                        |
| ESD Safe                            | Yes                                                                                             |
| Fuse                                | 0,5A                                                                                            |
| Interface                           | One Switching Output                                                                            |
